Winter 2023

SGP to Host 10th Members Mixer

SGP will host its 10th annual Members Mixer together with Journal of General Physiology (JGP) during BPS 2023 in San Diego. The mixer will be held on Sunday, 19 February, from 8 pm to 10 pm. An SGP members-only event, the evening will include complimentary beverages and tapas appetizers. The winners of the CraneField Awards will be announced, and the Excelsior and Sharon Gordon Awards will be presented. Space is limited. SGP membership and registration are required.

Jorge Contreras
UC Davis
Councilor 2020-22

Valeria Vásquez
University of Tennessee
Councilor 2020-22

John Del Rosario
New Jersey Medical School
Postdoc Councilor 2021-22

SGP Mission Statement

The Society of General Physiologists is an inclusive, international scientific society whose goal is to advance the understanding of the fundamental physiological mechanisms and physical principles that govern the functioning of biological systems. In addition to promoting pioneering and innovative research, the Society advocates for education and training, and it is committed to increasing diversity in the scientific workforce.
